Payment Policy

We require payment at the time of service. If you have private health insurance we ask that you pay your co-pay or co-insurance at the time of service. If you have a yearly deductible, you must meet that as your policy specifies. We may or may not bill, or you may bill, your insurance company. If payment for any part of your treatment is denied by your insurance carrier you will assume full responsibility for payment and will pay independent of any appeal process with the insurance carrier.

In the case of either personal injury, auto accident, or workers' compensation claims, we will bill the entire amount of each visit to your insurance company. The cost of supplies, supports and/or supplements not paid for by your insurance company is your responsibility.

If you have any questions concerning our payment policy, please feel free to ask the receptionist.

Cancellation Policy

We require 24 hours notice for all cancellations. If you cancel with less than 24 hours notice, you will be charged 50% of the total charges for the scheduled visit. If you fail to attend your appointment and do not call to cancel, you will be charge IN FULL for the total visit. We send reminder texts as a courtesy. It is your responsibility to be on time for your appointments.

I have read and understood the above payment and cancellation policies and agree to follow them while utilizing the services at Benessere Chiropractic Massage and Fitness, LLC.
